

RFPD Collaboration Egypt D2450 – Austria D1910-1920

A close relationship between Egypt and Austria was launched between PDG Salem Mashhour and DG Harald Marschner in 2006. Both have been serving in RFPD for years. 6 Matching Grant projects, summed up to US\$ 131,000, have been started, conducted or finished in these 5 years. All projects deal with the empowerment of women, maternal health and family planning. These projects will help to reduce the dangerous population increase in Egypt. App. 1,500 women have been benefitted from these activities.
